IN-HOUSE SERVICES

Did you know?

We do embroidery, laser etching, stickers, after market striping, small alterations, and hemming right in our store!

Embroidery Services

Direct Workwear currently has state of the art embroidery machines. We love being able to offer this service to our customers right from our own store. We can embroider almost everything we sell, as well as adding personalized crests and badges to garments. Direct Workwear also offers Fire Resistant Nomex thread to meet FR requirements. Whether you need to label your work clothes, brand your employees' gear, or get a perfectly unique gift, our embroidery department can help. Phone us in store or email emb@directworkwear.com to get more information about our custom embroidery services.

After Market Customization

Our knowledgeable seamstress can hem your coveralls and pants to your requested length, customize your workwear with hi-vis striping, and get your outfit ready to be worn comfortably at the jobsite. This quick and affordable service is one we're sure you will love!
